

Avery Reuse Committee Survey

Name, Phone and/or Email (optional) _____

The goal of the **Avery Reuse Committee** is to identify potential reuses for the current Avery School building and/or site, which is both “**desirable** to the community, and **feasible** to implement.” We will make **recommendations** to the Board of Selectman & the School Committee based on what the COMMUNITY tells us – **we are a listening committee**. If a recommendation is supported, it will then be brought to Town Meeting for final approval. Please let us know what you think. Thank you!

If you were presented the following options, which use would you choose (why/why not?)

PLEASE NOTE: *This is a **starter list** to jog ideas – it does NOT necessarily represent the views or opinions of members of the Avery Reuse Committee – nor is it meant to be an exhaustive list by ANY stretch of the imagination.*

- 1) Police Station
- 2) Fire Station
- 3) Senior Center
- 4) Senior/Youth Center
- 5) Arts/Community Center
- 6) New Town Hall
- 7) Residential/Condo’s
- 8) Assisted Living
- 9) Mixed Residential/Retail/Restaurants
- 10) Museum (250 Years of Mill History/Arts & Crafts, Dedham Pottery, for example)
- 11) Consolidated Public Library
- 12) Put it out for creative bid response

What other creative ideas could you imagine on this site?

Would you rather preserve this building – or see it replaced with a new structure.
Other thoughts/input? (*Use opposite side if you need more room.*)
