

Dedham High School Parent Organization

Contact Information and Mission

August 2011

Dear DHS Parent/ Guardian:

The mission of the Dedham High School Parent Organization is to offer services to our membership which will keep them informed regarding issues of interest and to serve as a communication link between the high school community and the community at large. In order to stay connected, we strongly encourage you to receive our e-newsletter which is filled with important dates and information regarding life at Dedham high school. You can sign -up for the newsletter at www.dedham.k12.ma.us and go to community section / DEP or e-mail Dimitria Sullivan at dimsullivan@comcast.net with your request to join.

We look forward to you joining the DHS Parent Organization. Remember: Active involvement in the Parent Organization is a great way to know what's happening at the High School and to feel connected to other parents!

Regards

Maria St. Cyr
