

# THE SCHOOL IMPROVEMENT PLANNING MODEL (SIP)

## I. Planning Relationships

## II. Operational Definitions

- A. Strategic Plan (SP)...a 5 year document containing core value, vision and mission statements that provide the foundation for a district.
- B. District Improvement Plan (DIP)...a 3 year document that addresses each of the SP's core values on a system-wide basis guided by the stated vision and mission.
- C. School Improvement Plans (SIPs)...detailed planning documents developed by each school, informed by DIP and describing how the staff of each building will address each core value within the unique nature of the school.

## III. Plan Development Model
