

Thank you Burlington Stores!!!

In an assembly on Friday, October 11, Burlington Stores, Inc., through its partnership with AdoptAClassroom.org, surprised students and staff with a generous donation of \$10,000 to the Avery School in celebration of its new store in the Dedham Mall.

Representatives from Burlington Stores presented the check to Dr. Sullivan during an assembly.

Through Adopt-A-Classroom, all teachers will share in the award. Classroom teachers will receive \$450 to spend on supplies for their classrooms while specialists will receive lesser amounts. As can be imagined, the students and staff of the Avery School are overwhelmed with the generosity of Burlington Stores, Inc.
