

Rules of the Road for Circle Drive

The following rules and procedures have been put into place to ensure the safety of all students and their families.

The parking lot to the left of the school (when looking at the school) is for staff only. Any parents dropping students off before school must use Circle Drive.

Morning Drop Off

- 1) Students should exit the car when the car has come to a complete stop.
- 2) Those dropping their students off should not wait for their student(s) to walk to the door. There is a staff member at the door in the morning to ensure students make it into the building safely. Waiting to see your student(s) walk into the building causes a back up in the drop-off line.

After School Pick Up

- 1) Students will be loaded into 3 cars at a time. You must wait until the car in front of you pulls away before leaving the line or pull up to pick up your student. ***Do not pull around the car in front of you.***
- 2) If there is a special circumstance in which your student is held up from coming down to the car line, you may be asked to pull into a parking space to wait to avoid backing up the line.
- 3) Those who park in the parking lot adjacent to the playground must wait for the Circle Drive pick-up line to empty before pulling out of the spot to exit the parking lot. Pulling out while the pick-up line is still running causes a back up and potential accidents.

*****The most important rule is to be kind to one another and show patience.***

Everyone has someplace to be and we know that waiting in line or a parking spot can be frustrating. As we tell your students to do - take a couple of deep breaths and assume everyone is trying to do their best.**

If you have any questions or would like to report an issue, please contact the school's office at (781) 310-2200.
