

COATS WILL BE COLLECTED AT THE RIVERDALE SCHOOL UNTIL 12/10.

# Donate last season's winter coat. It's easy.

We are accepting warm winter coats for children and adults at any Anton's Cleaners, Jordan's Furniture, Enterprise Bank and participating locations through January 12th!

Once collected, all coats are professionally cleaned by Anton's and distributed to families in need through a network of local social service agencies.

*Thank you for helping keep our neighbors warm!*
