

**Senior**

**Born and Raised:** Dedham, MA

**Elementary:** Avery

**Link Crew:** 1<sup>st</sup> Year

**Language(s):** English and Spanish

## **Melissa Martinez**

I have played Volleyball for all four years of high school, two on junior varsity and two on varsity. I have also played varsity Tennis for three years, being captain for my last two years. I joined the math team my junior year and plan to continue my senior year, finding out it was actually more fun than I thought it was going to be. For ten years I was a part of a camp called Tenacity, seven years as a camper and 3 as a counselor. This past summer I worked as a tennis coach for Swim and Gym. My favorite class would be math because I like being able to find a solution to problems. I don't have a favorite food because I love all food and it would just seem unfair to the rest if I had to pick just one. I plan to attend college after high school. I am very excited about being a senior this upcoming school year.
