Matt Jenest

Hi, my name's Matt and I will be a senior Link Leader for the 2015-16 school year. I'm involved in a number of extracurricular activities ranging from Jazz Band and Winter Percussion to Wrestling (in which I will be a captain this year) to National Honors Society. Music is a big passion of mine. My primary instrument is the saxophone but I also like to experiment with guitar, bass, percussion and really anything I can get my hands on. The greatest thing about the high school is how many extracurriculars are offered. Anyone can find at least one thing they'd be happy to participate in. For example, I joined the Wrestling team in my sophomore year. With a lot of hard work and dedication I have gained a lot of new friends, a spot on the varsity team and a huge deal of confidence. I am a pet lover. My family has two dogs and two cats. In my future, I plan to attend college to study pharmacy. The business sort of runs in my family and I can even become a doctor! It will be awesome to be a senior this year. I look forward to having a really special year with all the people I've come to know over the course of these last 12 years. I'll be nervous though when it comes time to apply to colleges and deal with all the stress of waiting for an answer. I just want to say to anyone who's nervous/scared about coming to the high school, that I have been in the same boat before. It's a big transition but one that you will definitely come to enjoy! I look forward to working with everyone this year!
