I’m a very creative person. I love music, whether it be listening to it, or playing my oboe in band, or dancing. I’m also a writer. I use ECHO, our school’s creative magazine to share my work. My favorite subjects are history and English. Photography is a hobby of mine. If I see some thing pretty or cool, I will take a picture of it. I am a member of the Drama club, AVE, and the new debate team!
