Kevin Clifford

My name is Kevin Clifford. I am a senior at DHS and a second year Link Leader. I am also in the National Honors Society and play varsity golf, baseball, and basketball. I bring a lot of energy, enthusiasm and hard work into everything I do. My first year of Link Crew was amazing. I joined because I wanted to help create a better environment at DHS as a whole. I grew up inside the high school gym, interacting with my three older brothers and their basketball teams. The students and coaches had such a profoundly positive effect on my life, and I want to do the same for the incoming freshmen. I know that I will achieve that goal and graduate knowing that I left a positive imprint at DHS.
