Jena Del Rosario

Hi, my name is Jena Del Rosario and I am a senior this year at DHS. This is my second year as a Link Crew Leader and I am excited to help new freshmen in their journey to the high school. I was born in the Philippines but lived in Dedham for most of my years. I am one of five children in my family. I recently adopted a cat and his name is Candel, and he is the cutest thing ever. Volleyball is my favorite sport, which I play in the fall, and tennis in the spring. Singing and dancing are my favorite hobbies so don't be scared to join me if you catch me singing or dancing by myself. I also love to bake when I can because who doesn't love food? Science and math are my two favorite subjects in school. I love the thought of becoming an Engineer in the future.

High school will seem scary at first but only for a little while. I always love to help so don't be afraid to ask me or other students for help because we've all been there. I hope you enjoy your first year of high school and the years to come!
