## **Erin Gilmore**

Hi, my name is Erin Gilmore and I am a Junior Link Leader. I am a part of the Varsity softball team. I am currently helping with painting a mural in the language wing, and also am now part of the Link Crew. Coming to the high school was a huge change from going to the middle school. My favorite part is that you get to find out what interests you, who you are, and who you want to be. With the long list of course selections, you can take classes that you find interesting and gain an understanding of what you want to be when you grow up. I currently take all honors classes and a few AP courses. My favorite subjects are English and science. Outside of school, I am a part of my church youth group. We help out the community throughout the year and go on a trip during school vacation to help people in other areas who are in need. This summer I plan on taking ASL classes and volunteering at Hale Reservation. I am looking forward to helping the upcoming freshmen with their transition to high school.
