Hi I'm Elizabeth! I am a senior and am very involved in school. I am a three-sport athlete at DHS. I am the goalie for the soccer team and play track and field indoor and outdoors! I am very involved in Saint Mary's Lifeteen. This past summer I went on a leadership conference to Kansas and the summer going into junior year I went on a mission trip to Nicaragua with them too. I am interested in pursuing childhood psychology and development after high school. In school my favorite class was Mrs. Spiro's history class. I loved learning about what has happened in America and learning all the gossip she has on presidents, musicians, stars, etc. My favorite lunch at school is the buffalo chicken wrap :) which is probably the best thing about high school. Just kidding, I think the best thing about Dedham High School is that there are so many teachers and faculty members who care about you. I have a dog and two cats. Matilda is mine who I named after my favorite movie, Matilda. I love that movie I always wanted to be Matilda when I was younger. My best vacation ever wasn't exactly a vacation. It was my trip to Nicaragua. I loved traveling there and seeing another country. It was an eye-opening trip. After high school I plan on attending a four-year college somewhere in New England. My favorite quotation is from the song "Who You Are" by Jessie J. She sings, "It's okay not to be okay". I really like this quote because in high school I found it very relatable. These are some very stressful years and it's hard to juggle school, life, sports, clubs, etc. I like these lyrics because it reminds me it is okay if things get out of hand but everything will work itself out! I'm nervous about hearing back from colleges next year but I am really looking forward to my senior year because I hear it's the most fun!
