Courtney Walsh

Hi, my name is Courtney Walsh and I am a senior at Dedham High School. I am very involved in clubs and activities all year round. I play varsity field hockey, basketball and track. I am one of the senior captains for the field hockey team. I also am a member of student council and student government. I challenge myself with hard classes and continue to push myself through the year. This is my second year being a Link Crew Leader, and so far it has been one of the best experiences. One of my favorite aspects of Link Crew is the fact that I get a group of kids who I can create relationships with and really help them adapt into their high school career. Something that I like about Dedham High is the buffalo chicken wrap at the deli line. I look forward to the year ahead and the relationships I will continue to make as I wrap up my high school career.
