Aidan Flaherty

Hey there! I'm Aidan, and I am the delegation leader of Dedham's own Youth and Government delegation! Youth In Government is a great program for students grades 9 to 12 who enjoy history and want to join a club that encourages their best efforts while having fun with it. We're looking for a great string of freshmen to add a great dynamic to the group, so if you're curious, come to our meeting in A211 on September 15th! The things I'm passionate about range from journalism and film to politics and good music, to literature and world culture. I'm also a member of Saint Mary's Life Teen, a faith community which has changed my life, and Dedham High's cross country and track teams, which has been a lot of fun.

Is high as school as bad as some say it is? It's what you make it. The biggest aspect of it is putting the work in and doing your best. Don't sweat the small stuff—take it one day at a time and seize it. Face the challenges that come your way with the right attitude and the support of others (you can't do it alone) and you will crush it. Before you know it, it'll be senior year, so give freshman year your best effort. If you haven't see Dead Poets Society, or Braveheart, or...there a lot of great movies out there, so go see them.

I am looking forward to working with you as you begin your journey at Dedham High! See you soon!
