Dedham Educational Partnership Donation Application

“The mission of the Dedham Educational Partnership (DEP) is to foster education and community service by supporting school programs, scholarships and extra-curricular activities within the Dedham Public Schools.”

The **Dedham Educational Partnership** is an independent community-based organization that raises funds for the enrichment of the Dedham Public Schools. By funding initiatives that are beyond the expected public school funding resources, the DEP hopes to add additional positive public school experiences for students, teachers and community members. The DEP encourages yearly and multi-year donation requests. There is no minimum or maximum for funding requests and donation request submission is rolling.

The DEP encourages public school teachers, students, parents, administrators and community members to apply.

If a donation is approved, please submit a follow-up recap after the project/event is underway or completed. Submission of any pictures is also appreciated.
