

PTO Board Members

Many parents think once you reach Middle School there is not a need to be involved. Well those parents are wrong, Middle School is the most vulnerable time of your child's lives, and your support is needed. Here are DMS the parent group works closely with Administration and staff to make these years the best we can for your students. So the big question is Do you want to be involved? If yes join the DMS Parent Group. Many of our board members will be departing with our last DMS student at the end of the 2019-2020 school year, so we are in need of parents to join us, learn the ropes and take over next year. Below is a list of position that we are looking to fill with a brief description of each position.

Co-President (The Leaders): Looking for a creative problem-solver who is comfortable with delegating and who can keep this on task. You will set up meetings work closely with administration and staff as well with other board members.

Co-Treasurer (The Number Cruncher): We always have plans to raise money and fund events throughout the year. You will be responsible for handling the funds that come in from fundraising & donations you will also be keeping up on the budget, balancing the checking account, making deposits and writing checks that are needed.

Fundraising Coordinator/s (Team Cheerleader): We do many things in the Parent Group but the most important is fundraising. Without fundraising we would not do so many things for our staff and students. We need a detail-oriented parent to coordinate all fundraising efforts. If you are able to motivate students and parents, think on your feet and can handle any curveball thrown at you than this is the position for you. **This position will be filled effective June 2019.**

Secretary (The Fact Finder): The kind of person who documents everything, through stellar recordkeeping and also has a great attention to details. You will be responsible to taking notes at all the meetings which then will need to be sent to the school secretary to post onto the DMS web site. Also you will be responsible to make fliers, agendas, and thank you notes that are needed.

If you are interested please let any of the current board member know.

Thank you,
