Book Fair Sept. 17-21

Start the year off with new books! We will be having a Book Fair at Avery School this month. This is a great opportunity for you to buy quality books and the proceeds benefit the library! Children will visit the Book Fair during their regularly scheduled library time (see back). Parents are welcome at that time or during the listed hours. Children are welcome to preview the fair before & after school & during recess. The Book Fair will also be open during Open House. See page 3 for volunteer opportunities.

We are also hoping to build classroom libraries through donations. Teachers will have requested books in a bin. Simply purchase a book and we will provide a donation sticker for you to place inside with your child's name. Thank you for your support!

Free Book Raffle

Every parent that stops by the Book Fair during Open House may enter a raffle for a free book. The raffle will take place at the end of the night. Good luck!

Library Volunteers

Our Avery community includes a wonderful group of volunteers that contribute to all aspects of our school. Please consider volunteering in the library. Volunteers are needed during your child's library time putting books away and checking books out to children. Volunteer opportunities also include helping once or twice a year with our Book Fairs. Please consider these opportunities. I look forward to working with you and your child/ren!

All volunteers must have a CORI on file. Once this is done, please come to your child's next library class to train and start. Returning volunteers, welcome back and see you at your earliest convenience!
