

Staff Survey LMC 5-Year Plan 2018

Survey ran for two weeks with two all staff emails
March 2018

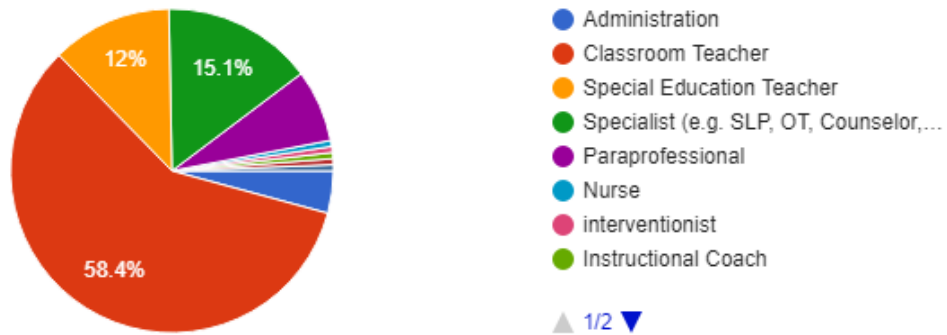

I teach at the following level/s: (check all that apply)

163 responses

My role in the district is as mainly:

166 responses

The library has adequate and appropriate resources to support my curriculum needs.

164 responses

I can find books that represent different cultures and lifestyles.

165 responses

Resources for the media center are carefully chosen to reflect curriculum and student needs, and the resources are of high quality.

165 responses

The resources in the media center are

How many times in the last 12 months have you used the library for ...

How many times in the last 12 months have you used the library for ...

- To use a collection of resources curated by the librarian
- To have the librarian create a research guide (e.g. LibGuides, Library Website)
- Collaborated with the librarian to develop projects or units
- Co-taught with the librarian
- Encouraged students to participate in library activities (e.g. Reading Incentives such as Read to Succeed, MakerSpace, Blind Date with a Book, National Novel Writing Month)
- Bought a class to select books
- To support a group of students on a project
- Gone to the library for support

I learn about library programs and services through (check all that apply)

162 responses

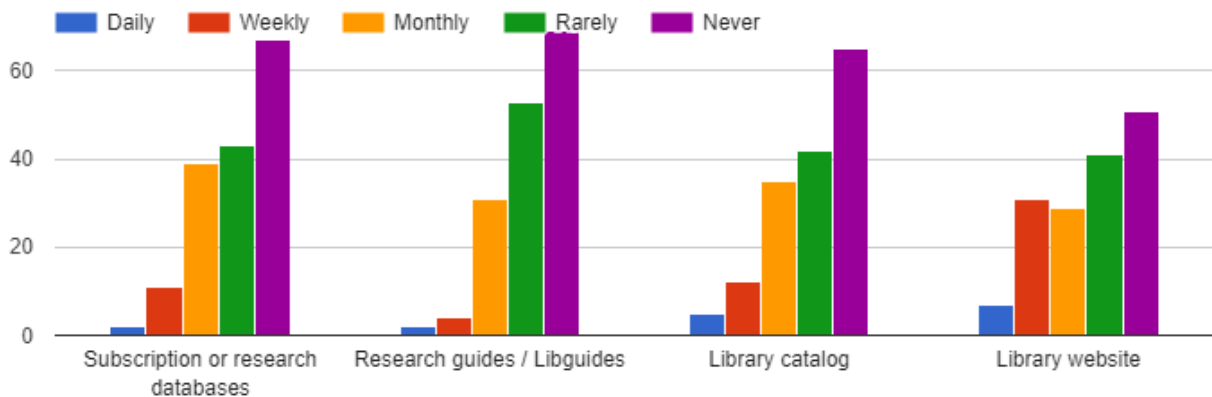

Four replies that they don't hear about programs and services

The library staff is approachable and helpful.

162 responses

In the past 12 months, how many times have you used the following resources with your class:

List other resources used in the library not listed above (if applicable):

11 - Technology (labs, laptops, printers, 3D Printers); 4 - Librarians, Read Alouds, Guided Reading Books, 3 - Makerspace; 1 - Alternative classroom space; 1- PD space for staff

Additional thoughts or comments (e.g. What is the best thing about the library? How can the library media center improve to better serve students? Questions you have?)

- Many positive statements about the school library media specialists.
- Climate, carpet, ceiling, lighting, space, furniture issues, in library media centers including permanent maker area, gas fireplace, and coffee bar
- Pedagogical teaching resources including apps
- Independent books at appropriate reading levels.
- Updated resources to match curriculum including updated small group sets of leveled readers; New Science and Social Studies curriculums
- More opportunities have students work with librarian'
- Technology access for paraprofessionals without Chromebook
- Curriculum enhancement
- Consistent curriculum for technology and research implemented by librarians
- Communication through bulletin boards and newsletter.
- Limitation at ECEC with resources and part-time paraprofessional
- More collaboration with librarian
- Alternative learning space
- Wide variety of uses depending on the project and time of year
- Audio resources
- Several noted that rarely option was misleading given the nature of the curriculum they taught.
