## **Mark Rella**

Hi, my name is Mark. I'm a very energetic and enthusiastic person who likes to make people feel excited and happy when I'm around them. My job is to help your transition into to high school easy like I had on the first day. My transition was great thanks to my Link Crew leaders. I'm a very involved person in high school, I was a leader on the basketball team, and a good friend to many of my teammates and school peers. I have been honored to be voted captain of my basketball team, and given educational awards. When you see me in the halls I'm a person you really can't miss, I really like meeting new people and always open to talk when needed. I advocate for fairness, and fun and look forward to helping you in any way you need me to assist your transition into the upcoming High School year.
