## Maeve O'Connor

Hi, I'm Maeve! This will be my first year in Link Crew. When I'm not in school, I spend most of my time at my dance studio, K&M Studio. I take many different types of dance classes there, on their competitive team. This does not leave a lot of time for other sports and activities, but I like to participate in French Club and Student Government. In French Club, it is very interesting to learn about the culture of francophone countries. This summer I will be working at a day camp. This is very fun for me because I love working with kids. My favorite classes at Dedham High are French and photography. My favorite food is any type of pasta- I am a vegetarian so I eat a lot of it. I like a lot of different types of music, I'll listen to almost anything except Classical or Heavy Metal. I love finding new songs to listen to. I think the best thing about high school is the teachers. They make learning interesting and are always open to forming relationships with their students. I have one dog who is a Schnauzer and Poodle mix, his name is Morgan. After high school, I hope to go to a four year college and continue to dance. I also hope to travel a lot when I'm older. Next year I am nervous for the classes I am taking and managing my time well, but I am excited to be in Link Crew for the first time!
