Hi my name is Katie! I'm very excited to be a part of Link Crew and to meet all of the incoming freshman! I'm a Junior here at the High School. I participate in Cross Country and Winter/Spring Track (which I recommend because we always need people!) My favorite subjects is Science and Spanish. I also enjoy singing and I've been in Chorus at the High School both Freshman and Sophomore year. When I was going into my Freshman year, my class was the first to go through Link Crew. I thought it was a great experience and made adjusting to high school SO MUCH EASIER! I got to know the school a little and feel less nervous. Don't be shy to say hi to me in the hallways! :)
