Isabella Gentile

Hi my name is Isabella Gentile and I am senior at Dedham High School. My favorite color is purple and my favorite food is pizza. My favorite sport to watch and to play is hockey. The Bruins are obviously my favorite team but my favorite player is Zach Parise. Besides playing hockey, you can find me babysitting or working at Justice. I also spend my summers volunteering at the TREK program at the middle school. High school has been crazy so far but classes like video production with Mrs. Scully help me get through the day. This year will be my fourth year taking a video class. I love to edit and think of new subjects to shoot. Next year I plan on attending college although I am not quite sure where I want to go yet. I know that I would like to study some aspect of science and continue on with a science career. I am very excited to be a Link Leader for the second year in a row, I really enjoyed the experience last year and am hopeful that this year will be even better!
