## Gregory Pasciuto

Hey guys, I'm Gregory Pasciuto. You could say I'm an all-around nerd; I like astronomy, history, current events, anime, comics, and movies (even the bad ones). I'm currently a senior here at Dedham High School. You might also find me working as a cashier at the local Stop & Shop. High school has been an interesting experience, to say the least; you have so much more freedom than you did in middle school to choose your classes, interact with your teachers, you name it. My favorite class in all of high school so far has been Journalism with Mr. Nilsen. He is an absolute bro, and he truly understands his students and encourages them to speak their minds in their writing. Classes that allow you to apply your true self in your projects are the best feeder courses for college. I'm really looking forward to taking Video Production this year with Mrs. Scully, and if I like it, maybe I'll continue with it in college. As a first-year Link Crew leader, I can't wait to meet you guys and help you out. I'm there whenever you need me, and I'll catch you down the road.
