Georgia Krikorian

Hi my name is Georgia Krikorian and I am a Senior Link leader. I am so excited to jump into my senior year and my second year with Link Crew! I have been a member of both the DHS Concert Band and the Drama Club and I am currently a member of the Advanced Vocal Ensemble. Last year I had the wonderful experience of founding the DHS Debate Team where I am the Assistant Captain. I am also the Co-President of the student council and involved in NHS. Outside of school I dance at K&M Studio in Norwood and am the choreographer for the Parish Players Theatre Group. The supportive community and challenging opportunities here at DHS are something that I will forever be grateful for, especially as I begin my college application process! I love all of my subjects, but I am most interested in science. I have especially enjoyed AP Biology and AP Chemistry with Mrs. Harrington and Mr. Norrman this past year. I hope to go to college to study Cellular Biology or Molecular Biology on a Pre-Med track. High school definitely requires a lot of work, but it is also a lot of fun. I can't wait to see everyone next year and to help make DHS an awesome experience for the incoming freshmen!
