## **Daniel Labadini**

I'm 16 and I will be going into my junior year, I have two brothers and I am the middle child. I enjoy cooking, hanging out with friends and playing video games. I get myself involved in school by doing a number of things. I participate in football and track, in football I am a starting offensive lineman and for track, I'm one the best shot putters on the team. My academic life is no different than my sport life I try to challenge myself every year by taking AP and honor classes. I look forward to working with the incoming freshmen by helping them with school, directions, and academics.
