Cassidy Repetto

Hi, my name is Cassidy! I am a sophomore at DHS and this is my first year in Link Crew. I do cheerleading in the fall and I am in the SADD club. It's very important to do lots of clubs and sports. I have lived in Dedham all of my life, but I hope to move somewhere warm for college. In college I hope to study psychology as my major. I love to travel and want to travel a lot as I get older. The next school year I'm most excited to meet all of the new people in the school, and of course the yummy donuts we have Friday mornings!
