Hi, my name is Ashley and I'm a junior this year at Dedham High. I joined Link Crew because I want to help all of the incoming freshmen with getting comfortable here at Dedham High and any problems they may face. I was a cheerleader my freshman year of high school, but took a break sophomore year and hope to start up again this upcoming fall. An important thing to keep in mind is joining clubs, participating in sports and just getting involved with the school. It'll look good on college applications and it can lead to new opportunities like making new friends. After high school I plan to go to college and to then later on become a Physician's Assistant. I love spending time with my friends whether we're hanging out in a basement or driving around in a car blasting music. I also love to travel and work with kids (which explains my picture). I'm excited to meet all of the incoming freshmen, to be a positive influence in their lives, to show them the ropes of Dedham High and give them a great first year experience!
