

Junior

Born and Raised: Dedham

Elementary School: Greenlodge

Link Crew: 1st Year

Language(s): English and Spanish

Andrew Czazasty

Hello, I am Andrew Czazasty and I am honored to be a Link Leader for this year. Besides Link Crew, you can find me doing an assortment of activities around the school, including band, debate club, computer club, etc. In the fall I also do swimming and marching band. I am also a member of the Boy Scouts of America, which has taught me many of the leadership skills I hope to bring into being your link leader.

In school, my favorite subject has always been history. Besides the great teachers like Dr. Dudley, I find all of the stories of different cultures quite interesting. I also love US history, especially learning about the revolution and the Old West. Besides my favorite subject, my favorite thing about high school would have to be the diversity of the students. By that, I mean that I found it easy to interact with all sorts of people with different interests without worrying about "cliques". I have many different interests, and it's great that I can have a different group of friends for each of these interests.

This year should be a great year, and I hope that through my participation in the different organizations at DHS, the school will be improved. I'm very happy to have you in the DHS community, and I look forward to getting to know you!
