Alannah Heffernan

Hi! My name is Alannah Heffernan and I am currently a 10th grader here in DHS. I was raised in the Greenlodge area where I still live now. I have two older brothers and one younger sister. I love to play basketball, soccer and track and field. In 9th grade, my class favorite was Mr. Springer because of his energetic and creative style to teaching his class. My favorite thing about high school is the independence you have. Although it may look scary just starting out, you are capable of making many of your own decisions with guidance if you want it. Even though I say that now, I definitely was scared when I was an incoming freshman. My biggest fear was not finding my way around the school and I can assure you that you will learn quickly. My biggest excitement was being able to use your phone more freely when you need to. I am excited to work with you guys and start you guys to a great freshman year. Remember freshman year counts!
