Link Crew's presence at Dedham High School would not be possible without the generous financial support of our community. The initial costs of bringing Link Crew to Dedham High were beyond the reach of our approved budget. For that reason, the Dedham High Link Crew would like to offer special thanks to the Dedham Education Foundation and the Dedham Educational Partnership. Without their generosity, our Link Crew program may never have been possible.

An exciting new development is that Link Crew has recently been given a donation from the Class of 1964 to help support our continued efforts to make our program even better. The fact that our mission and early successes are being noticed and discussed in the greater community is very gratifying. We would like to acknowledge the Class of 1964 and everyone who has and will continue to support our work to make Dedham High School the best school community possible.
