

MARCHING BAND and FALL COLOR GUARD

All students are eligible to join the marching band or color guard. The marching band is a fall activity that begins at band camp before school opens, and continues up to the annual Thanksgiving football game. The band performs at all home games as well as regional competitions in October and early November. This ensemble is open to all, although prior instrumental experience is preferred to join the band. Guard is open to all. There are after-school, evening, and weekend rehearsals during the competitive season.

Advisors: Mr. Bolduc and Mr. Daniels
