

Interact Club

The Interact Volunteer Club offers students the opportunity to become more involved in the Dedham High School community, as well as the town of Dedham as a whole. By completing various volunteer activities, students will be able to make a visible impact on our community and complete their required community service hours. This club was started in coordination with our local Rotary Club, which focuses on organizing community events and fundraisers. Members of the Interact Club will take part in hands-on activities and events, such as assisting Rotarians at the annual Pumpkin Fest, or setting up for the Taste Dedham Event. Furthermore, students have the opportunity to participate in an international project. Completed projects include painting sections of the Mother Brook Art Center, and organizing a book drive for the Children's Hospital's Reach Out and Read Program. New members and ideas are welcome!
