

French Club

The Dedham High School French Club features cultural activities that highlight the diversity of the French-speaking world. This club is open to all students (not only students of French). We meet bi-weekly, in B203 at 2:15. Some of our favorite activities have included: Crêpe Day, Cheese-Tasting Day, Pétanque (like bocce), Mancala, French Music Videos, and Eurovision Performances. Join us for a particular activity, or for the whole year.
