

## Art Club

The Art Club provides students with a space where they can create, talk about, and look at art outside of a formal class setting. Each month there is a different focus with discussions, activities, and studio time related to that month's theme. Meetings are held every Thursday after school in Art Studio 1.

Example activities include:

- Technique workshops
- Pop-up gallery shows
- Portfolio shares
- Visits to local art organizations
- Creating public art ([2017-2018 Mural at NewBridge on the Charles](#))
