AFTERSCHOOL ENRICHMENT
FALL - WINTER - SPRING

LEAP Afterschool Enrichment

Dedham LEAP Afterschool Enrichment programs have been developed to provide students in each of our elementary schools the opportunity to stay after school and broaden their imaginations, explore the world around them in more detail or develop a deeper appreciation for the arts.

SUMMER PROGRAMS

LEAP Summer Programs

DPS Summer Academic Enrichment programs provide a wide variety of academic, creative and engaging topics for students to continue their learning through the summer months. Taught mostly by Dedham educators, programs are available for students entering Kindergarten through Middle School. DPS Summer Academic Support Programs are designed to provide extra learning time and assistance to students who may benefit from extra support before the next school year. Registration for 2023 will open on March 1, 2023.
