Mary Kate Coughlin

I've been on the indoor and outdoor track and field team for four years. I played soccer my freshmen and sophomore years, and ran cross country my last two years of high school. I am the senior captain of cross country and track and field. I am the secretary of National Honor Society, and the Vice President of SADD and a member of the Interact club, and my class council. Most of my community service is centralized around the Cystic Fibrosis Foundation. Currently I take AP Physics, AP Calculus and AP Literature, Psychology, Legal Studies and Journalism. My favorite courses that I have taken at DHS are PreCalc and Physics. My favorite memories at DHS are running with my teammates at DHS, and I hope to make more memories on the school trip to France in Spain in April with my classmates. Next year in college I hope to major in the sciences!
