Kirstin Wilcox

I like to do well in school. I try to get involved in as much as possible. I am a part of student council and also played volleyball this year. I am going to France and Spain this year with the school which should be exciting. My favorite subjects are science and math. My favorite lunch is either the blt wrap or spicy chicken when it isn't orange. I like cats. I was in the academy freshmen year which is a memory I have at this high school.
