I am a 2 year varsity soccer player (4 years total), and a 4 year tennis player. I am also the vice president of DOWNE Teen SOYO, as well as treasurer of St. George Orthodox Church Teen SOYO. I have a job at City Sports in Legacy Place and I do a lot of volunteer work in my free time. I have volunteered at the Special Olympics and plan to volunteer again in years to come. My favorite class in high school is AP psychology. My favorite high school memory is having a winning record against Norwood in both soccer and tennis all of my varsity seasons.
