1<sup>st</sup> Year

**Language(s):** English and French

## JoAnn Devine

I am a Senior Link Leader. In school, I am part of the Math Team, New England Math League, NewBridge on the Charles Volunteer, Link Crew, French Club, and Be A Tutor. I have worked at the Dedham Public Library and I currently work at DSW. Some of my hobbies include drawing, cooking, and reading. I love animals and I have 2 cats and a Siberian husky. This year, I am taking Psychology, PreCalculus, Statistics, Physics, French, English and I am doing an internship with Mrs. Casali. I did an internship at NewBridge on the Charles. I am an iPad "guru". I frequently speak at Parent meetings and school committee meetings about iPads. I recently spoke at the iPad Summit that was in Boston at the Hynes Convention Center. After college, I aspire to be a Surgical Physician's Assistant. Next fall, I will be attending the school of my dreams, Boston University. I have been admitted under their Early Decision program, and will be in their Human Physiology program.
