Link Crew:
1st Year

Languages: English

Jenn Wadman

I am a senior at Dedham High School and this is my first year participating in Link Crew. Along with Link Crew, I am also a member of student council and SADD club. I am a member of the varsity field hockey, basketball and softball team; and have been a captain for both field hockey and basketball. Outside of school, I am involved with the Pathfinders program coaching soccer and basketball. As a freshman, I was a part of the freshman academy, and as an older student I have taken many AP courses along with my other honors classes. My favorite class throughout high school has been Marine Science as I am very interested in learning about oceanography and marine life.
