Freddie Melly

I have played football for 4 years and been a starter on varsity for 3 years. I have been on the spring track team sophomore and junior years. I like to work out daily (at the high school weight room). I work at SkyZone Boston. I am also involved with the Dedham Youth Commission, helping with the youth in Dedham and doing community service. My favorite classes by far at the high school are the sciences: biology, physics, chemistry, anatomy, and biotechnology. One special memory was when we beat Norwood's football team in 2013 on Thanksgiving Day!
