Amanda D'Italia

Hello, my name is Amanda D'Italia, this is my first year as a Link Leader! I was a transfer my junior year of high school. I couldn't have been more welcomed by the Dedham community, and Link Crew is my way to finally give back. In addition to Link Crew I'm part of our active student council, the Varsity field hockey team, Varsity indoor track, and Varsity spring track. I love to getting involved in the community here. I challenge myself with rigorous academic courses; my favorite classes are Spanish and Psychology. I look forward to leaving my mark on Link Crew!
